1. Actively grow our volunteer base and participation, and increase support of our volunteer through strong communication and training/mentoring.
2. Help our community understand the Clark PTA's purpose, goals, use of funds, and interest in new perspectives and ideas.
3. Continue to increase and expand the use of technology in our internal and mass communications and productivity.
4. Obtain 100% involvement from staff and families.
5. Have fun! We're all in this together for the betterment of our school, children's lives, and community.
6. Assist in the planning and transitioning to the new Clark Elementary School.
7. Support our school and staff through the transition to a new school location and building.
8. Plan, prepare and apply for various and National and Washington state awards based on the 2017-2018 year to be acknowledged during the 2018-2019 school year.
